This SWIMMER is the perfect investment for your health and wellness; it has been designed with a large flat floor free from obstacles, with a depth of 1.5m giving you a real swimming experience. With 3 large swim jets, the nature of the water alongside its warm temperature makes it ideal for many exercise regimes, from building up your swimming strength using the swim tether to teaching the kids to swim. With the LED Rainbow Spa Light as standard this swimmer can also be used to relax in with the rest of the family.

Optional Extras included:

80 Waterline LED Lights | Ozone | Moulded Tub Tray | Extra Insulation - 100mm spray on foam | Heavy Duty Cover | Swim Tether | Aquatic Fitness Rope |

(Value of optional extras which are included: £2580)
